<b>Title 16</b>				
Idaho Code § 16-108	Unnecessary	Regional committees are not a federal requirement, duplicative of statewide coordinating council, and require significant staff time that could be put to better uses.	Yes	DHW
<b>Title 19</b>				
Idaho Code § 19-2524	Outdated	IDOC has identified this section in the Justice Reinvestment Act as outdated. The language is duplicative of other provisions within Idaho code related to DHW obligations and payment of expenses. Strike: (g) Mental health examinations and/or treatment provided or ordered pursuant to this section shall be secured by the department of health and welfare. The department of health and welfare shall exhaust efforts to assist the defendant in gaining access to health care benefits that will cover the defendant's mental health treatment needs. To the extent that health care benefits are not available to the defendant for the treatment, the expenses for treatment shall be borne by the department of health and welfare.	No	IDOC
Idaho Code § 19-2601(5) (last sentence)	Outdated	IDOC has identified this section in the Justice Reinvestment Act as outdated. The language is duplicative of other provisions within Idaho code requiring the use of best practices in community supervision. Strike: The agreement of supervision shall include provisions setting forth the potential sanctions for a violation of the terms or conditions imposed and potential rewards for compliance with the terms and conditions imposed, as such sanctions and rewards are set forth in rules of the board of correction.	No	IDOC
Idaho Code § 19-5908	Outdated	Section 19-5908 authorized and governed the Capital Crimes Defense Fund (CCDF). The CCDF was a cost-sharing mechanism among the counties which allowed them to afford the exorbitant public defense costs associated with death-penalty cases. Those costs are now borne solely by the State Public Defender (which went fully online on October 1, 2024), rendering the CCDF superfluous. In fact, the CCDF has since been dissolved, and all remaining funds have been returned to the counties. Thus, the statutory reference to the CCDF found in section 19-5908 is now obsolete, unnecessary, and outdated.	Yes	SAPD
<b>Title 20</b>				

Idaho Code § 20-101	Outdated	IDOC has identified this language as outdated. The existing language is no longer pertinent as prison facilities are located throughout Idaho. Strike language in red: 20-101. ESTABLISHMENT AND USE OF PENITENTIARY AND REHABILITATION CENTERS. There shall be continually maintained for the care and custody of prisoners in Idaho, correctional facilities, and state rehabilitation centers, for use by the state board of correction located in the county of Ada and at such other places in the state of Idaho as may be determined by the board of correction; provided however that no facility may be acquired except as provided by law. All offenders convicted and sentenced according to law to imprisonment in the state prison, shall be committed to the custody of the state board of correction. All persons convicted of crimes against the laws of this state, and sentenced to confinement in the state prison shall be committed to the custody of the state board of correction, and must, during the term of their confinement, perform such labor under such rules and regulations as may be prescribed by the state board of correction.	No	IDOC
Idaho Code § 20-216	Outdated	IDOC has identified this section in the Justice Reinvestment Act as outdated. The existing statutes create a significant administrative burden for IDOC to produce 5 discrete annual reports that have mostly been replaced by data dashboards. Elimination of this section will give the State greater flexibility in evaluating its programs and save taxpayer dollars.	Yes	IDOC
Idaho Code § 20-219(1)(d)	Outdated	IDOC has identified this section in the Justice Reinvestment Act as outdated. The defined term will no longer be applicable due to the proposed removal of I.C. 20-216. Strike red text: "(d) Program delivery, as "program" is defined in section 20-216, Idaho Code, to all persons under its probation or parole supervision based on individual criminal risk factors and specific needs;"	No	IDOC
Idaho Code § 20-219(4)	Outdated	IDOC has identified this section in the Justice Reinvestment Act as outdated. This section is duplicative with the requirements to use evidence-based practices in community supervision. Strike red text: (4) Subject to the availability of moneys, caseloads for supervising officers who are supervising offenders determined by the department of correction's validated risk assessment to be high or moderate risk of rearrest should not exceed an average of fifty (50) offenders per supervising officer.	No	IDOC

Idaho Code § 20-219(5)(a)- (e)	Outdated	<p>IDOC has identified this section in the Justice Reinvestment Act as outdated. These subsections are duplicative of the requirements remaining in section 5. Strike red text: "The supervision shall include:</p> <p>(a) Use of validated risk and needs assessments of the offender that measure criminal risk factors, specific individual needs and driving variable supervision levels;</p> <p>(b) Use of assessment results to guide supervision responses consistent with evidence-based practices as to the level of supervision and the practices used to reduce recidivism;</p> <p>(c) Collateral and personal contacts with the offender and community that may be unscheduled and which shall occur as often as needed based on the offender's supervision level and risk of reoffense and based on the need to stay informed of the offender's conduct, compliance with conditions and progress in community-based intervention;</p> <p>(d) Case planning for each offender assessed as moderate to high risk to reoffend; and</p> <p>(e) Use of practical and suitable methods that are consistent with evidence-based practices to aid and encourage the offender to improve his or her conduct and circumstances so as to reduce the offender's risk of recidivism."</p>	No	IDOC

Idaho Code § 20-219(6)	Outdated	<p>IDOC has identified this section in the Justice Reinvestment Act as obsolete and outdated. The completion dates of this subsection have passed and the training topics are duplicative of the remaining requirements.</p> <p>Strike the red text: The state board of correction shall provide all supervising officers with initial and ongoing training and professional development services to support the implementation of evidence-based supervision practices. All supervising officers employed as of the effective date of this section shall complete the training requirements set forth in this subsection on or before July 1, 2016. All supervising officers hired after the effective date of this section shall complete the training requirements set forth in this subsection within two (2) years of their hire date. The training and professional development services shall include:</p> <ul style="list-style-type: none"> <li>(a) Assessment techniques;</li> <li>(b) Case planning;</li> <li>(c) Risk reduction and intervention strategies;</li> <li>(d) Effective communication skills; and</li> <li>(e) Behavioral health needs;.</li> </ul> <p>(f) Application of core correctional practices, including motivational interviewing, cognitive restructuring, structured skill building, problem solving, reinforcement and use of authority;</p> <p>(g) Training for supervising officers to become trainers so as to ensure long-term and self-sufficient training capacity in the state; and</p> <p>(h) Other topics identified by the board as evidence-based practices.</p>	No	IDOC
------------------------	----------	---	----	------

Idaho Code § 20-219(7)	Outdated	<p>IDOC has identified this section in the Justice Reinvestment Act as outdated. The language is duplicative of other provisions within Idaho code requiring the use of best practices in community supervision. Strike the red text: The state board of correction shall promulgate rules in consultation with the Idaho supreme court to:</p> <p>(a) Establish a program of limited supervision for offenders who qualify addressing eligibility, risk and needs assessments, transfers among levels of supervision and reporting to the court and the prosecuting attorney.</p> <p>(b) Establish a matrix of swift, certain and graduated sanctions and rewards to be imposed by the board, without the necessity of a hearing, in response to corresponding violations of or compliance with the terms or conditions imposed. Sanctions for violations shall include, but are not limited to, community service, increased reporting, curfew, submission to substance use assessment, monitoring or treatment, submission to cognitive behavioral treatment, submission to an educational or vocational skills development program, submission to a period of confinement in a local correctional facility for no more than three (3) consecutive days and house arrest. Rewards for compliance shall include, but are not limited to, decreased reporting and transfer to limited supervision.</p>	No	
Idaho Code § 20-223(3)-(4)	Outdated	<p>IDOC has identified this section in the Justice Reinvestment Act as outdated. The language in (3) is duplicative of other provisions within Idaho code related to consideration of parole requiring the use of best practices in prison programming. The language in (4) is duplicative to I.C. 20-1005(8). Strike the red text: (3) The department of correction shall promulgate rules in consultation with the commission to prepare prisoners for parole. The department of correction shall create sufficient programming opportunities, such that lack of access to programming is not the primary cause in delaying parole eligibility. The department shall promulgate rules to include case plan development upon entry into prison and a current risk assessment before all parole hearings.</p> <p>(4) By February 1 of each year, the department of correction and the commission shall submit a report to the governor, the senate judiciary and rules committee, and the house of representatives judiciary, rules, and administration committee that describes the most common reasons for delay or denial of release, including statistical data supporting the conclusions of the report.</p>	No	IDOC

Idaho Code § 20-224(2)	Outdated	<p>IDOC has identified this section in the Justice Reinvestment Act as outdated. Elimination of this section will give the State greater flexibility in evaluating its programs and save taxpayer dollars. In addition, the language related to the use of risk assessments by the Parole Commission is duplicative to I.C. 20-1005. Strike the red text: The board of correction shall use a validated risk assessment to determine, for each prisoner, the risk of reoffense and suitability for release. For purposes of this subsection, "validated risk assessment" means an actuarial tool that has been validated in Idaho to determine the likelihood of the prisoner engaging in future criminal behavior. The board shall select a research-based risk assessment and shall validate the accuracy of the risk assessment at least every five (5) years in consultation with the commission. Assessments shall be performed by department staff who are trained and certified in the use of the risk assessment. The commission shall promulgate rules in compliance with chapter 52, title 67, Idaho Code, to ensure that risk assessment is used in determining parole, the benefit of holding a prisoner in prison to complete programming versus releasing the prisoner on parole to complete programming in the community and in setting conditions for parole supervision.</p>	No	IDOC
Idaho Code § 20-250	Outdated	<p>IDOC has identified this section in the Justice Reinvestment Act as outdated. The existing statutes create a significant administrative burden for IDOC to produce five discrete annual reports that have mostly been replaced by data dashboards. Elimination of this section will give the State greater flexibility in evaluating its programs and save taxpayer dollars.</p>	Yes	IDOC

Idaho Code § 20-504A(5) (a)-(b)	Obsolete	<p>Remove duplicative language by deleting language in red (5) The director shall have the power:</p> <p>(a) To employ, fix the salary and prescribe the duties of a superintendent for each juvenile correctional center. The superintendent shall be a nonclassified employee and shall serve at the pleasure of the director. With the advice of the director, the superintendent may appoint and prescribe the duties of assistants, instructors, specialists and other employees required for the operation of the center;</p> <p>(b) To remove any employee of a juvenile correctional center for cause or as allowed by chapter 53, title 67, Idaho Code;</p>	No	IDJC
Idaho Code § 20-513	Obsolete	<p>Remove outdated language, in red below, around publication of summons as we do not disclose and publize minor's records. Service of summons - Travel expenses. Service of summons shall be made personally by delivery of an attested copy thereof to the person summoned; provided that if the judge is satisfied that it is impracticable to serve personally such summons or the notice provided for in the preceding section, he may order service by registered mail addressed to the last known address, or by publication thereof, or both. It shall be sufficient to confer jurisdiction if service is effected at least forty-eight (48) hours before the time fixed in the summons for the hearing. When publication is used the summons shall be published in two (2) consecutive issues of a weekly newspaper printed and published in the county; such newspaper to be designated by the court in the order for publication of the summons, and such publication shall have the same force and effect as though such person had been personally served with said summons.</p>	No	IDJC
Idaho Code § 20-520(1) (i)	Obsolete	<p>Remove "surgeon" because its duplicative phrasing listed for types medical providers</p>	No	IDJC
Idaho Code § 20-524A	Outdated	<p>Correct time zone standard. Remove outdated language, in red below: Orders received by the department after 3 o'clock p.m., mountain standard time, on a business day, will be considered to have been received the next business day. Facsimile transmissions of the order are acceptable.</p>	No	IDJC

Idaho Code § 20-1007(1)	Outdated	IDOC has identified this section in the Justice Reinvestment Act as outdated. The language is duplicative of other provisions within Idaho code requiring the use of best practices in community supervision. Strike the red text: (1) The commission, in releasing a person on parole, shall specify in writing the conditions of parole, and a copy of such conditions shall be given to the person paroled. The commission shall include in the conditions of parole a requirement that the defendant enter into and comply with an agreement of supervision with the board of correction. The agreement of supervision shall include provisions setting forth the potential sanctions for a violation of the conditions imposed and potential rewards for compliance with the conditions imposed, as such sanctions and rewards are set forth in rules of the board.	No	IDOC
Idaho Code § 20-1012(2)	Outdated	IDOC has identified this section in the Justice Reinvestment Act as outdated. There is no legal distinction between an early discharge from parole and a commutation. The Idaho Constitution and Idaho Code already have processes in place to request a commutation, and this language does not comply with the commutation requirements under the Idaho Constitution. Strike the red text: (2) The board may submit a request to the commission for an order of final discharge from the remaining period of parole for any parolee under the board's supervision at any time during the period of parole. A request for final discharge shall be supported by a statement attested to under oath or signed under penalty of perjury pursuant to section 9-1406, Idaho Code, setting forth the facts upon which the request is based. The commission shall notify the victim of a request for final discharge from parole. Any response to a request for final discharge shall be filed within thirty (30) days of the date of submittal of the request. The commission may, without a hearing, rule upon a request for final discharge based on a review of the case, the request, the statement and any responses to the request or may schedule a hearing on the request. The commission shall rule on the request for final discharge within ninety (90) days of the date of submittal of the request.	No	IDOC
<b>Title 21</b>				
Idaho Code § 21-121	Obsolete	The State no longer registers pilots so there is no registration certificate. Nor should the State anotate a conviction on a federal airman's certificate.	Yes	ITD
<b>Title 22</b>				
Idaho Code § 22-2717(12)	Obsolete	This section defines key terms used throughout Soil Title 22, Chapter 27 for clarity and consistency in interpretation; however, subsection 12 defines "Idaho OnePlan" which is obsolete.	No	Soil & Water Commission

Idaho Code § 22-2718(4(f))	Obsolete	This section establishes the Idaho State Soil and Water Conservation Commission, which oversees nonregulatory conservation efforts statewide. This section is fundamental to soil conservation district law. However, subsection 4(f) establishes and promotes the "Idaho OnePlan" as a computer-based natural resources conservation planning process. Idaho OnePlan was established in 2000 (H.B. No. 559, As Amended in the Senate). The Idaho OnePlan is no longer operational and the website was officially shut-down on June 12, 2018, by the OnePlan Executive Committee.	No	Soil and Water Commission
Title 22, Chapter 46	Obsolete	This chapter is unnecessary as the licensing and inspection of commercial fish facilities authorized provides no benefit to the facilities in question, and is redundant to their equipments and standards related to water use and environmental concerns located in other chapters.	Yes	Ag
Title 23				
Idaho Code § 23-103	Obsolete	This section is antiquated and obsolete. The interpretation is that this would have been applicable to individuals who had been convicted for a crime prior to the Liquor Act.	Yes	Liquor
Idaho Code § 23-215	Obsolete	This section is unnecessary as it is currently written. The current practice of furnishing a price list is provided by a third party.	Yes	Liquor
Idaho Code § 23-216	Obsolete	This section is unnecessary as it is currently written. This information is not currently collected.	Yes	Liquor
Title 25				
Title 25, Chapter 8	Obsolete	This chapter is unnecessary as it requires a license for the practice of artificial insemination on domestic animals that provides not benefit to the license holder or others in the industry. The effectiveness and proficiency of those providing such services can be identified by the private marketplace without government intervention.	Yes	Ag
Title 25, Chapter 30	Obsolete	This chapter is obsolete as the licensing of fur farms provides no benefit to those operations beyond what is required elsewhere in statute regarding animal welfare and safety or for animal disease.	Yes	Ag
Title 25, Chapter 36	Obsolete	This chapter is obsolete as the licensing of ratite operations is unnecessary and provides no benefit to those operations beyond what is required elsewhere in statute regarding animal welfare and safety, or for the prevention of animal disease.	Yes	Ag
Title 25, Chapter 38	Obsolete	As written, the Odor Management Act is not enforceable and is obsolete. Odor is subjective, as are the terms "accepted agricultural practices" and "best management practices."	Yes	Ag
Title 26				
Idaho Code § 26-303	Outdated	Other portions of the chapter make clear that LPOs, mobile facilities, and branches are different things. The definition of branch in 26-106 also communicates this.	Yes	Finance

Idaho Code § 26-311	Outdated	Rights of bank to branch, regardless of primary regulator, are sufficiently addressed by other statutes, including Chapter 16	Yes	Finance
Title 26, Chapter 4	Obsolete	The purpose of this chapter was to allow banks to invest in bank service corporations. No state bank currently invests in such corporations, and the services offered by these type of corporations are now performed by third-party providers that can provide a more efficient and cost-effective service. This chapter has not been revised since 1979.	Yes	Finance
Idaho Code § 26-703	Unnecessary	It is unnecessary to explicitly state that banks are allowed to make loans secured by real estate. Nothing elsewhere prohibits such loans; therefore, explicit authorization is not needed.	Yes	Finance
Idaho Code § 26-712	Outdated	No longer applicable or pertinent. Prohibits state laws from voiding the payment of a check if done outside normal banking hours.	Yes	Finance
Idaho Code § 26-715	Outdated	Requirement for checks drawn against any bank operating branch banks to indicate the particular bank and branch at which the check is to be presented for payment is no longer applicable or pertinent considering the broad use of electronic deposit/cashing by consumers and Fedwire Funds services for banks to complete clearing and settlement.	Yes	Finance
Idaho Code § 26-1107	Obsolete	Bank reporting forms are standardized nationally, and anyone can access quarterly reports online, or request one through the Department of Finance.	Yes	Finance
Idaho Code § 26-1501	Outdated	Unnecessary as there is no other law prohibiting a bank, savings bank, or credit union to have an office at a location in which another type of financial institution has an office	Yes	Finance
Idaho Code § 26-1606(1) (in whole); Idaho Code § 26-1606(2) (in part)	Obsolete	It is not necessary to state there is no deposit cap in Idaho. Subpart (2) gives director authority to waive any federal cap if it is more limiting than Idaho; however, this power is not used and likely would not be successful if challenged. Repeal (1) in its entirety; strike the following from subsection (2): "that has the effect of being more limiting than subsection (1) of this section"	No	Finance
Idaho Code § 26-1808	Unnecessary	The authority to exercise trust powers, and what is needed in order to receive such authority from the Director, is covered in the Idaho Trust Institutions Act.	Yes	Finance
Idaho Code § 26-2131	Obsolete	The Department doesn't enforce this or require it, this is required by a vote of membership and could be included within their own bylaws.	Yes	Finance
Idaho Code § 26-2139	Outdated	The Department doesn't have the authority to prohibit a State Chartered entity from applying for a Federal Charter.	Yes	Finance

Idaho Code § 26-2224(1)(k)	Obsolete	Remove section. This is covered under 26-2228(3).	No	Finance
Idaho Code § 26-2232(1)	Outdated	Remove "In lieu of the bond required by this section, a certificate of deposit issued by a financial institution authorized to conduct business in Idaho may be provided to the director in the same principal amount as required for the bond. The interest on the certificate of deposit shall be payable to the licensee. The certificate of deposit shall be maintained at all times during which the licensee is authorized to do business under this act. The certificate of deposit must provide that it will remain in effect for at least three (3) years following discontinuance of operations, unless released earlier by the director when all statutory requirements have been met." This has not been utilized for years, and electronic surety bonds are now available.	No	Finance

Idaho Code § 26-2232A(1)	Outdated	Remove "In lieu of the bond required by this section, a certificate of deposit issued by a financial institution authorized to conduct business in Idaho may be provided to the director in the same principal amount as required for the bond. The interest on the certificate of deposit shall be payable to the licensee. The certificate of deposit shall be maintained at all times during which the licensee is authorized to do business under this act. The certificate of deposit must provide that it will remain in effect for at least three (3) years following discontinuance of operations, unless released earlier by the director when all statutory requirements have been met." This has not been utilized for years, and electronic surety bonds are now available.	No	Finance
Title 26, Chapter 24	Obsolete	There are no industrial development corporations as defined by this chapter and other types of entities fulfill this purpose, such as community development corporations, small business investment companies, urban renewal agencies, etc.	Yes	Finance
Idaho Code § 26-2611	Obsolete	This statute states the provisions of the Idaho Interstate Banking Act shall not be construed to amend or modify any other chapter of Title 26 of Idaho Code, regarding the IDOF's powers and our role as a financial institution regulator. This is not necessary language. If it was necessary, we would have the same language in every other chapter of Title 26 of Idaho Code.	Yes	Finance
Title 26, Chapter 27	Obsolete	There have been no operating BIDCOs nor applications for a BIDCO license since 2020. The role of BIDCOs is fulfilled by other entities such as community development corporations, small business investment companies, financial institution SBA lenders, etc.	Yes	Finance
Idaho Code § 26-3402	Unnecessary	States that an out-of-state trust institution may establish a trust office or representative trust office. This is unnecessary as the institution must have a trust office or representative trust office to operate in Idaho; therefore, the explicit right to establish one is redundant.	Yes	Finance
Idaho Code § 26-3609	Unnecessary	Initially included to "grandfather in" existing trust departments of state banks when the legislation was enacted in 2000; however, this section also required banks to conform their operations to the new requirements. It has been 25 years, so this section is no longer needed.	Yes	Finance
Idaho Code § 26-3705(8)	Outdated	Standard enforcement authority. Recommend removal of superfluous language. Strike: "Disclosure statements of continuing care facilities established prior to January 1, 1988, do not need an actuary report or summary until January 1, 1993."	No	Finance
Title 27				

Idaho Code § 27-404	Outdated	This section mandates that endowed care cemeteries operate solely as corporations organized under Idaho law, which is overly restrictive given changes in U.S. and Idaho corporate law since 1963, including the adoption of flexible entity forms like LLCs (Idaho Code Title 30, Chapter 25) that could better suit modern cemetery operations without compromising oversight.	Yes	Finance
Idaho Code § 27-406	Outdated	This section prohibits pre-1963 cemeteries (without prior perpetual care sales) from advertising endowed care without establishing a trust fund, but is obsolete as no such non-compliant entities are known to exist based on Department of Finance knowledge, with all active cemeteries having transitioned or complied over the past 62 years.	Yes	Finance
Idaho Code § 27-409	Outdated	This section exempts pre-1963 cemeteries (with prior perpetual care sales) from the initial \$50,000 trust deposit but requires other compliance, yet is obsolete since no such entities remain that haven't fully complied or ceased operations, per Department of Finance knowledge, making the exemption unnecessary after 62 years.	Yes	Finance
Title 33				
Idaho Code § 33-4701	Unnecessary	Classified as unnecessary because it does not effect public health, safety, or welfare.	Yes	WDC/STEM
